

Greetings from Nepal!

Two weeks ago I returned from Rasowa a northern region of Nepal.

I was together with a brother from Nepal and a brother from Romania.

Rasowa is found on the border with China (Tibet). Most people are Buddhist in this region.

If you have a few minutes then please watch this video from Rasuwa, Nepal.

Please pray for the region of Rasuwa.

~ there are very few Christians in this region, please pray that The Lord raise up more workers.

~ we distributed hundreds of gospels and Christian literature. Please pray that the locals would read them and find the Lord Jesus.

~ we did meet some Christians who gather together in their homes. Please pray that God would reinforce their faith.

Thank you for being alongside us.
